

Classroom Warmups

Printable 10–15 minute starters for Spanish, French, German, and Italian — roots, register, collocations, and media. For one teacher's own classes (not a site license).

Pairs with free tools on studynewlanguages.co: [Explorer](#), [Register practice](#), [Collocations](#), [Output workshop](#), [Media sheets](#).

Spanish • Week 1

Root family warmup (spect)

1. Open Explorer: spect / spec. Students list 6 members in 3 minutes.
2. Pairs invent one formal and one informal sentence each.
3. Exit ticket: write tomar una decisión in a workplace line.

Spanish • Week 2

Register swap

1. Show a slang Slack message; rewrite as client email (5 min).
2. Compare two student rewrites on the board.
3. Drill 5 items from Register practice ([spanish_workplace](#)).
